

One-Day Tutorial on LLMs for Ethical Research Assistance using Context Engineering

 **Date: 19th December, 2025**

 **Time: 10:00 AM – 5:00 PM**

 **Mode: Hybrid (On-Campus + Online)**

 **Venue: Kalyani Government Engineering College**

About the Tutorial

This one-day hands-on tutorial introduces faculty, researchers, and PhD scholars to the responsible and effective use of Large Language Models (LLMs) such as ChatGPT for research assistance.

Participants will explore the principles of Context Engineering — a structured approach to guiding LLMs for accurate, ethical, and reproducible research outcomes.

Registration Details

 **Last Date to Register: 10th December 2025**

 **Registration Fee: Rs. 1000/- (Free for all authors of accepted papers who have already registered)**

 **Email: kousik.dasgupta@gmail.com, sourav.banerjee@kgec.edu.in, sudip.cse.kgec@gmail.com**

 **Register Now: will be updated soon,**
